

# Help shape the future of Kings County!

Kings County will hold the third redistricting public hearing on August 31, 2021 at 10 a.m. during the regular Board Meeting.

In addition to participating in public hearings, community members can also draw and submit preliminary maps for the County Board of Supervisors' consideration. Please note all California Adjusted Census data should be available Fall 2021. All maps drawn prior to the release of the California Adjusted Census data will provide initial insights and be considered "play data."

Get involved in the County's redistricting process! At the hearing, community members will learn more about redistricting and how they can submit maps of their own. These maps could include borders of neighborhoods, a proposed Board of Supervisor district or the sketch of an entire countywide map of five Board districts.

You can also submit public comments, including suggested draft maps, by emailing: [redistricting@co.kings.ca.us](mailto:redistricting@co.kings.ca.us).
