Subject: Re: Constituent comment

Good morning,

My name is Alicia Ramirez. I live at [REDACTED] Armona , CA constituent of District 4. My Representative Craig Pedersen did not want to clarify where he is loggin in from & it's no secret he has been living in Montana & is not Representative me nor the district. If he's not going to represent me & my district, he should step down. We have many issues in our district that need to be addressed.

Sincerely,  
On behalf of your constituents I represent as KCOE Trustee District 5.
